

### **International Talks at Yogyakarta (01/11/2008)**

The 3 talks by Prof. Kumaraswamy were on themes of 'Improving Project Management Practices', 'Construction Industry Development' and 'PPPs for Infrastructure Development,' while another talk was given by a Director from the Ministry of Public Works on 'Trade Liberalisation for Construction Services'. This Saturday event was attended by public and private sector leaders (e.g. from relevant Depts. and Assns. of Consultants and Contractors) and academics, from Yogyakarta and neighbouring provinces.
