

2013 Bi-City Biennale of Urbanism\Architecture Hong Kong – Dabao Project

The Architect of the Dabao Project, Elisabeth Lee, will join the 4th Bi-City Urbanism/Architecture Biennale (UABB) this year and we are delighted that Dabao Project is the focus of her exhibition. The details of the Biennale are as follows:

Date : 6 Dec 2013 (partially) / 20 Dec 2013 (completely) – 28 Feb 2014
Venue : Kwun Tong Ferry Pier, Hong Kong

UABB was first presented in 2007 by the Hong Kong Institute of Architects (HKIA), the Hong Kong Institute of Planners (HKIP), and the Hong Kong Designers Association (HKDA) in association with the Urban Planning, Land and Resources Commission of Shenzhen Municipality. It is one of the most extensive exhibitions showcasing works by leading international and local professionals in critical architecture and urban design. The theme of this year is “Urban Edge” and more details are available at <http://www.uabbhk.org/>. Our current students also help in the preparation of the exhibits. All interested parties are welcomed to join the Biennale and show your support to the Architect and our students!
