

## **Thanksgiving-cum-farewell dinner for Dr. Guo**

On 6th July 2013, more than 45 friends of Mingde joined the thanksgiving-cum-farewell dinner for Dr. D.J. Guo at Cyberport. Dr. Guo was surprised and impressed by the number of friends joining the dinner and everyone was grinning from ear to ear. At this memorable night, all the participants, from senior alumni to current students, expressed their deepest gratitude and appreciation to Dr. Guo for his teaching and guidance as well as his substantial contribution and efforts on Project Mingde. In addition, throughout these years, alumni and students were greatly impressed by Dr. Guo's humor, his broad and deep knowledge in engineering and his sharing on the crux of history of China and Hong Kong. At this meaningful event, Dr. Guo would like to thank all the comers and those who were not able to join, but sent him blessings and he was grateful to all the friends he met in the any kind of activities of Project Mingde. He also shared with us his plans in the coming ten years and his expectations from his retirement life.

This gathering was not only a thanksgiving and farewell dinner for Dr. Guo, but it was also a good opportunity for all friends of Mingde of different generations to get together and build up a stronger network. It was an enjoyable and unforgettable night! We all hope to meet Dr. Guo again in the near future and we wish him a fruitful retirement life.

Taking photo together at this memorable night.

All friends of Mingde were listening attentively to Dr. Guo's speech.

A nice card given to Dr. Guo, drawn by Jilly and Daniel.

Some words for Dr Guo...
