

## **Project Mingde Launches Its New Website**

(15 Jan 2024)

Mok Dickens – BEng(CivE) III  
President of 8<sup>th</sup> Project Mingde Student Association

Project Mingde, aimed at enhancing child education facilities and supporting rural revitalization programs in remote and impoverished areas of Asia for ethnic minorities, is proud to announce the launch of its updated website. This new website emphasizes a modern design, intuitive navigation, and a wealth of information about our charitable projects and student-enrichment activities.

Key features of the new website include:

- Enhanced user-friendly interface for browsing
- Useful information about our charitable projects and student events
- Press releases and photographs describing past projects

Visitors are encouraged to explore our new website to know the latest updates on our projects and events. The aim is to connect with our partners, industrial leaders, and other stakeholders by providing information on our projects and establishing the professional image of Project Mingde.
