

# TKO Stage II/III Landfill Visit

Ever thought of treatments and restoration work after closing a landfill? Here is the chance!

Project Mingde Student Association is going to organise a site visit to TKO Stage II/III Landfill. We will have Mr L.H.Law of SITA Waste Services Limited as our guest speaker to introduce the restoration work and lead us to have site walk.

SITA Waste Services Limited is a subsidiary of SUEZ Environmental. They provides a complete waste management service It operates six solid waste transfer stations, two of the three strategic sanitary landfills , and seven restored landfills in Hong Kong.
